Where applicable a MSDS (Material Safety Data Sheet) must be obtainable upon request and provided with any future order to Kitron.

General requirements

- Accept that any purchase order from Kitron Inc. may be subject to GQA (Government Quality Assurance). You will be notified of any GQA activity to be performed.
- Pack ESD sensitive components in accordance with Standard IEC 61340-5-1.
- Handle any moisture sensitive components (classified by IPC/JEDEC J-STD-020 or equal) according to IPC/JEDEC J-STD-033 or equal.
- Unless otherwise specified in the actual purchase order, the total quantity shall be delivered in one delivery. If the order specifies a number of deliveries and quantities, these shall be strictly adhered to. Deviation from specified delivery quantities will not be accepted unless such deviation has been approved by Kitron Inc. prior to shipment.

Be able to comply with Kitron Inc. traceability requirement and keep full supply chain traceability recording. This is including any sub-tiers they might have, with a cross matching towards any Kitron purchase order.
