

RESPONSIBLE SALES POLICY

Kitron Group provide services to a global customer base within the market sectors, electrification, industry, connectivity, medical, and defense/aerospace.

In Kitron Group compliance with applicable laws and regulations and internal requirements is an important part of our corporate governance. We endeavor to only work with reputable business partners who are of known integrity and whose conduct always meets our standards defined in our code of conduct charter.

Specifically for the defense sector, Kitron only works with customers in NATO countries and close NATO allied countries.

Kitron Group entities do not engage in manufacturing products supporting production or distribution of anti-personnel mines, cluster munition, biological, chemical, or nuclear weapons.
